Benediction

[†]*This recording was made prior to the COVID-19 lockdown.*

^{††}*For this virtual choir project, choir members learned their parts at home and recorded themselves singing. An audio engineer and a video editor blended all of the recordings into one choir. We offer this song as a gift to you, our church family. This is our “stone of remembrance,” our declaration of hope, and our affirmation of God's presence in a dark time. “We are not alone; God is with us!”*
